### **Plantronics CT12/14 Cordless Headset Phone**

The Plantronics CT12/14 is a 2.4 GHz DSS Cordless Headset (analog, single-line) ultra-compact single-line telephone, offering hands-free convenience and comfort. It includes a convertible 2 in 1 headset for over-the-head stability or over-the-ear convenience, a noise-canceling microphone for superior sound clarity and Firefly®, the unique in-use indicator light that lets others know that you are on the phone.

#### **Features Include:**

- **Pocket Size:** Ultra-compact remote unit fits in the palm of your hand and features a convenient belt/clothing clip that remains attached even while charging.
- **2.4GHz Digital Technology:** For increased calling range and digital security.
- **Firefly In-use indicator light** lets others know you are on the phone.
- **Noise-canceling microphone** eliminates background noise.
- **Caller ID Ready/Call Waiting display:** On the remote unit, lets you see who is calling.
- **Extended Talk/Standby Time:** 5.5 hour continuous talk time and 10 day standby.
